INTRODUCTION

Our core business is focusing on the industrial, commercial, and the private sectors, providing a security service in preventing a loss. We supply our clients with highly qualified, trained security officers (Grade E, D, C, B, and A), our guards are all registered with PSIRA (Private Security Industry Regulatory Authority), and we follow industry best practice by doing reference checks. Inter Force Security goes through a recruitment process when sourcing new staff. We make use of a company called MIE (Managed Integrity Evaluation) to do a criminal, ITC check if working at a financial institution, and the qualification verification.

The main service offering categories are specialized guarding, mobile security services, monitoring, and technical solutions. From a broad range of services, we customize offerings that are suited to the individual customer's needs, in order to deliver the most effective security solutions. Inter Force Security a wide range of customers in a variety of industries and customer segments.

STRATEGY

INTER FORCE SECURITY
"Indlovukazi"
Extend Protection Beyond Walls

Inter Force Security will target large retail stores and building management companies first in order to establish a strong base of clients in the province moving forward in time stretching upwards nationally.

It will be possible to have a good contract with any law enforcement agency to work special events and other venues.

In conclusion, the above steps are what we Inter Force Security undertake to get our own client base. However, it is important that we bear in mind that no business or industry is free of challenges and problems. So we strive to succeed as a security Firm, we brazen up and face the challenges that arise squarely.

Extend Protection Beyond Walls

MISSION

Inter Force Security will remove worries for clients who require security guards for their buildings, facilities, and events by providing excellent customer service for clients and in-depth training for their employees.

KEYS TO SUCCESS

Inter Force Security believes the keys to success in its industry include:

- Listening carefully to client concerns and objectives to create customized security guard packages.
- Knowing what the client does not know (bringing deep security expertise as well as knowledge of legal regulations and liability to the table).
- Training security guards carefully and maintaining their training and certifications.
- Monitoring the quality of security guard service to offer quality assurance.

CORE SERVICES

INTER FORCE SECURITY
"Indlovukazi"
Extend Protection Beyond Walls

Inter Force Security will provide well trained guards for one or more of the following purposes:

- To guard entrances and screen guests/employees
- To monitor clients' premises.
- To protect clients' assets, employees and guests
- To deter crime with visual presence
- To organize response in the case of fire, evacuation, or another emergency
- To respond to customer and employee health emergencies and accidents
- To eject unwanted customers or trespassers
- To liaison with police and city emergency responders

Inter Force Security will be a licensed, insured, and a bonded business and will offer unarmed guards, based on client needs and budgets. All guards will be certified for security work. Whenever possible, the same guards will be sent consistently to the same clients.

However, substitutes will be necessary from time to time and the business will ensure that detailed data about the job is transmitted to substitute guards on those occasions. Inter Force Security build trust with clients as a partner, rather than simply in the specific guard or guards they grow comfortable with.
